AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook - yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness - our carelessness. This, we - you - and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations - hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you -

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

SPRINGFIELD TOWN FORESTS

Report of activities of the Springfield Town Forests for the year ending December 31, 1961.

STAND IMPROVEMENT WORK

In an effort to increase the value of the Town Forests, stand improvement work was conducted on four tracts, namely, the Sunapee Heights, Brook, Kingsley, and the Royal Arch Lots. To increase the productive capacity of the land, weeding and thinning was done on 4 1/2 acres. This involves the elimination of undesirable species and trees showing poor form where they might be interfering with softwood growth or good hardwood species. Pruning the lower limbs from selected white pine was performed on 356 trees. This is only done on trees from three to ten inches in diameter, well-spaced and showing good form.

This improvement work was accomplished under the Agricultural Conservation Program, whereby the Federal Government reimburses the landowner for part of the cost if certain specifications are met. A summary of this work follows:

Type of Work	Amount	Cost
Weeding and thinning	4 1/2 acres	\$ 112.50
Pruning pine	356 trees	105.00
	Total cost	\$ <u>217.50</u>
	Federal reimbursement	133.50
	Net cost to town	\$ <u>84.00</u>

Inspection of the areas treated during the previous year show excellent response.

TIMBER SALES

A total of 55,890 board feet of timber was marked for cutting on the Sunapee Heights Lot and was sold for \$ 16.00 per thousand. The job was completed in the spring, and netted the Town of Springfield the sum of \$ 757.31.

Another area was marked for partial cutting on the Royal Arch Lot, with an estimated 90,000 board feet to be removed. This was sold at the rate of \$ 15.00 per thousand, and will be operated when markets improve. An initial payment of \$ 240.00 has been received as security on the Sales Agreement.

MANAGEMENT PLANS FOR 1962

It is anticipated a greater acreage of stand improvement work will be performed in the coming year. Application for cost-sharing under the Agricultural Conservation Program has been made to the extent of 10 acres of weeding and thinning, and 10 acres or 1000 trees of pruning.

To date only five of the sixteen tracts of Town Forest land have been examined. It is suggested the Town Forest Committee authorize the appraisal of another group of lots to determine the possibilities which may exist on them.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Springfield:

ENROLLMENT

The enrollment as of January 1, 1962 was 31, divided as follows:

Primary Room	(Grades 1-3)	-	16
Upper Room	(Grades 4-6)	-	15

Since there was only one student in Grade 7 this year, it was possible to make arrangements to have him attend school at New London.

TRANSPORTATION

New three-year contracts extending through June 1964 were made with the carriers on four routes:

Elmer Butcher	Sanborn Hill Section
Elmer Butcher	Morgan Section
Nellie Stowell	Turnpike Section
Edwin F. Edmunds	High School Students to New London

Since there was only one elementary student eligible for transportation in the Washburn Section, arrangements were made with the parents for her transportation. Therefore, the bus contract for this section was not renewed--resulting in a considerable saving to the School District.

TEACHERS

Mrs Marion Heath is again teaching in Grades 1-3. Mrs. Marilyn Heath returned after a year's absence and is teaching Grades 4-6.

I am very pleased to report that both teachers are doing excellent work of which Springfield parents should be proud. No school can be successful without the services of capable teachers. A poor teacher is not worth even a low salary -- a good teacher is worth all and more than she is likely to receive. Good teachers should be paid good salaries. Their influence on young students is great and has a tremendous effect on the measure of success these students obtain throughout high school and beyond.

MRS. MARION HEATH

It is with great reluctance that I accept the decision of Mrs. Marion Heath that she retire at the close of this school year from full-time teaching.

It has been my good fortune to observe Mrs. Heath at work with all eight grades at the Maxfield School as well as with the Primary grades at Memorial School for the last ten years. In both the primitive surroundings of the Maxfield School and the more convenient and modern surroundings of Memorial School, her fine characteristics of kindness, modesty, and real interest in every child stand out as an example of an outstanding teacher. The community, as well as the school, is greatly indebted to her and I am sure join me in wishing her many years of happiness in a well-earned retirement.

Respectfully submitted,
GORDON B. FLINT
Superintendent of Schools
